

INT. JESSE AND CONNOR'S HOUSE, LIVING ROOM -- NIGHT

We hear keys unlocking the front door. Connor enters, the house is predominately lit by candles. He smiles, tosses his brief case on a chair and moves towards the stairs. There is a rose pointing downstairs. He picks it up and continues downstairs.

EXT. JESSE AND CONNOR'S HOUSE, BACK PATIO -- MOMENTS LATER

There are roses pointing the way to the backyard. He gathers them, one by one. He opens the backdoor and sees the place lit by torches, very romantic. Jesse is in the new hot tub, wine glass in hand.

JESSE

Happy Birthday.

Connor is caught completely off guard.

CONNOR

I have no idea what to say. Wow!

JESSE

If you would be so kind as to change into your birthday suit, I will give you the rest of your presents.

Connor takes off his clothes and lays them on a deck chair.

EXT. JESSE AND CONNOR'S HOUSE, BACK PATIO -- HOT TUB

Connor climbs into the tub with Jesse. Jesse stands up to meet him and hands him his glass of wine.

JESSE (CONT'D)

This is one.

Connor takes a drink, never losing eye contact with Jesse. Jesse takes his glass from him and puts it to the side.

JESSE (CONT'D)

This is two.

Jesse slides down his body out of frame.

CONNOR

Oh man...Lovin' the hot tub.

We see Jesse's arms reach up and pull Connor down with him, both out of frame.

JESSE (O.S.)

And this is three.
