Jesse is unlocking the front door.

Jesse- How was your day?

Connor- It was good, got a lot accomplished.

Jesse- You're in a good mood.

Connor- Don't question, just go with it.

142

Jesse and Connor enter the house. Jesse looks through mail.

Jesse- Oh look, the first birthday card.

143

Jesse hands the birthday card to Connor.

Connor- Got to be mom. At least it's only a week early this year.

144

Med Jesse.

Jesse- It was like 2 months early last year. She does know the actual date, right?

145

Med Connor.

Connor- I'm her baby, she gets a little over anxious.

146

Connor moves behind Jesse and hugs him.

Jesse- What's it say?

Connor- Your my baby, I get a little over anxious. Pay attention.

Jesse- Ok, Lot's of affection going on. You're cheating on me aren't you?

147

Jesse and Connor turn to each other and embrace.

Jesse- You're cheating on me aren't you?

Connor- Yup.

Jesse- Thank God! I could use the break.

148

Jesse turns away from Connor and looks through mail.

Connor- Asshole! I'm going to go take a shower.

Connor pauses, Jesse doesn't take the hint.

Connor- I said, I'm going to go take a shower.

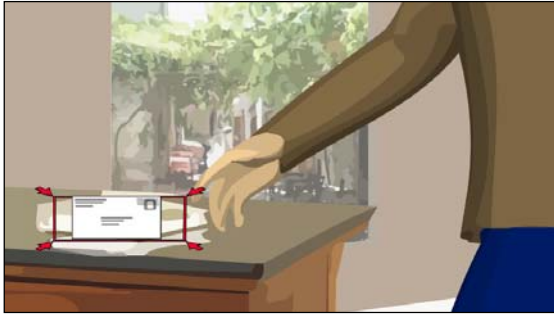

Jesse gets the hint and turns to Connor.

149

Jesse- What if Dale...?
Connor grabs Jesse's hand and leads him out of the room.
Connor- Don't question, just go with it.

150

Jesse stops long enough to drop the mail on an end table. Pan in to C/U on address.
